The Commuter - Now Playing. Get tickets now: Liam Neeson, Vera Farmiga. I don't know what's going on with the series there, but in general they are great. But there is one film in which no series can give half of what the film gives. This is The Commuter. I don't know what attracts me so much to this film. There is a film in which such great actors as Liam Neeson and Vera Farmiga play, there is a story that unfolds for more than one hundred years. There are beautiful scenes and action.
