————— ♦ 1. Introduction 1.

Introduction The New Fantasy Action RPG is the next entry in the new fantasy action RPG series by Atlus, which began with the success of "The Legend of Heroes: Ao no Kiseki," and is currently being published in the U.S. by NIS America. The original game contained new fantasy action elements and a storyline that had never been attempted by other RPG series. The game also provides unique social features that were not found in previous games.

2. Features [1] An Epic Drama In The Lands Between This game features a new fantasy action RPG that is entirely different from the "The Legend of Heroes: Ao no Kiseki" series. An epic drama unfolds in the Lands Between, where various thoughts of the characters intersect. The "The New Fantasy Action RPG" series is set in a world where all of the main characters are Elden Lords, and the Lands Between

serves as a stage where they play out their dramas. ◆ The Lands Between The "The Lands Between" is the world where all of the main characters of the series are born. ◆ Land of Birth The land of your birth, where you were born on a certain day and at a certain time of the year, remains in your memory

The game's story begins in the Lands Between. It is the opening of the great drama of Elden, one of the worlds whose many extraordinary tales are woven together in the Middle Ages. In the Lands Between, an unknown and immeasurable power exists. Among the many peoples of the world, rumors about a world with the power of magic have long spread, but over the course of a thousand years, the tales of these rumors have turned into legends. ►

The Lands Between: A place with a great power
The Lands Between: Tarnished by the powers of the Elden Ring
The Lands Between: A Magical World
The Lands Between: Elden will be born
The Lands Between: A bold beginning
The Lands Between: The Lesser Lands
The Lands Between: The Beginning of Elden

In the Lands Between, various peoples are wandering around and brawling among one another. It is a place where you can take on the forms of animals, demihumans, and

gods. At the center of the Lands Between, the Land of Elden is awakening. It is a place that originally belonged to the gods, and the people of the world can feel its power. A state of chaos and destruction is established in the Lands Between. The Land of Elden has been awakened, and the people who have birthed the power of the Elden Ring have arisen. The Lands Between belongs to these people, and this land is not a safe place. In order to liberate and make the Lands Between safe for the people of the world, a hero must be born that has the power of the Elden Ring. ► THE LAND OF ELDEN The Land of Elden is an interconnected world full of depth. The map of the Land of Elden is a huge world that covers an enormous range of lands. It is a world where players can forge their own destiny. Below, you will meet the lovely places, intriguing dungeons, and turbulent war zones. ■ The Food Chain World The world of the food chain is a land where the people who have not yet birthed the power of the Elden Ring wander. This is

the first world where the players must appear. It is a place filled with giants, monsters, and enemies. No matter what, the players must restore the order of the world.

▶ The World of the Food Chain A world where brave strangers travel, enjoying a strange and supernatural mystery.
