HIT ENTER TO START The Elven lands are in chaos as the cult of Kupo emerges to seek the crown of the Elves! In the midst of this turmoil, four Elven knights and four Elven princesses have made their way towards the Elden Tower in the Lands Between to put an end to the chaos. Whether you support the Elves or the Orcs, you are eager to see who will emerge victorious. You can join forces with the other players and battle against them and your other friends as you team up in order to wield the power of the Elden Ring. Features: A Wide Variety of Actions and Cinematic Battles A wide variety of actions and cinematics are available! The combat is in real time with no load screens. Play and experience the explosive battles that you've only seen on the big screens. A Different Enemy for Every Play Style The enemies you encounter are shaped by your play style. The combat is different depending on your play style. If you're a mage, different enemies will appear depending on your magic. Or, if you're a warrior, a number of different enemies and NPCs will appear depending on your strength. Even if you're not a fighter, the game will have a different combat depending on your class. There are so many different choices! As you increase the rank of your classes, you'll face foes that are stronger than ever, and you'll even be able to take down mighty bosses! Upgrades and Premium Service Support You can enjoy the game for a while with only your basic equipment. However, as you gain experience, you can increase your vitality and perks using enhancements. Also, the more you play, the more valuable equipment and consumables you'll be able to acquire. You can also enjoy the benefits of premium service in order to obtain helpful items with higher grades. Even if you're playing on the free version, you're able to enjoy various benefits by purchasing the game. You're also able to enjoy the benefits of premium service so you can obtain consumables and equipment that will increase your enjoyment of the game. Huge Maps and the Locomotive System The Elven lands are a huge area with a variety of enemies and a massive

number of other players. Even within this huge area, you're able to freely travel to different locations. The route that
