The “FIFA Ultimate Team” card builder and selection screen introduces “The Manager,” a player-focused career mode that allows users to create teams, manage transfers, perform signings and make decisions while their teams play. Finally, FIFA 22 introduces the long-awaited, popular UEFA competitions and leagues around the world, including the Champions League, La Liga, Ligue 1, Bundesliga, the Serie A and the Eredivisie, among others. Former Vice President Joe Biden is absolutely convinced that Donald Trump is trying to build a private space force in an effort to propel his narcissistic ambitions into outer space. “I think, one, to separate us from China, one of the most important strategic things that has to be done in my mind,” Biden told Chuck Todd on “Meet the Press” Sunday. “There are some people that are, I think, genuinely convinced that [Trump] thinks that he’s somehow going to run the globe from his domain in outer space.” ADVERTISEMENT “Trump thinks that, or somebody in the White House, thinks that,” Todd said. “That somebody...you’re really talking about a very, very special force. It’s a whole new thing.” “It would be a big — it would be a real big deal if they actually did it,” Biden said. “I think it’s an effort to — to build his ego in many ways,” he added. “And it’s not just, you know, to take our place in space and be the world’s great power. It’s an indication of who he is.” It’s actually really difficult to absorb Biden’s fresh take on the national security threat the Trump Administration poses. It doesn’t even make sense. “If China is pursuing that, yes,” Biden said. “OK. Is that the goal? How about Trump?” ADVERTISEMENT When it was pointed out that China didn’t actually launch an effort to build a space program until the 2000s, Biden claimed his point had been proven. “It’s been in the, in the strategic policies of China for a long time,” he said. “We can have a

What's new in Fifa 22:

- **Intuitive new controls: FIFA Football is back, and we've given it a revamp for Xbox One Edge and PlayStation 4. FIFA has always delivered a slick visual aesthetic but making the game feel right is just as vital for us - that's**

what brings everything together. While we've had a lot of hands-on time with the new FIFA on the new tech, and we've talked a lot about the philosophy behind the game - for players new to FIFA, here's some of the major features you can expect to see.

- **New awards system: Every game is a celebration of success and failure. And we've made it even more open to the crowd with a new 'Rivalry Awards' system which lets them vote for who they think achieved the greatest things in a given year.**
- **Exciting online experience: Our network is one of the best in the world and online FIFA is more accessible than ever. Moreover, the majority of modes are now cross-network, meaning you can play FIFA on Xbox One no matter what platform you play on.**

In the coming days:

- **Brand new comic-book style story mode will bring you into the world of football. Living out your dreams as a manager or playing in real-world locations like Mordovia Arena.**
- **We're using advanced video-game play to allow you to build a real academy from the ground up.**
- **We're further unlocking the world of FIFA for you, with new, never-before-seen environments.**
- **We're looking to get back to how we won the World Cup**

in the 70s.
