Day Taking place every year on May 25, this is an official holiday for one of North  
America's most popular games. The tradition has its roots in the year 1908, when the  
first World Series between two, now eight, American League teams took place.  
Baseball Fever Baseball Fever is a game that is completely free of economic  
restraints. It is more like a card game than anything else. You just need to use a  
random number generator to generate your own team of players. Baseball is Not Just  
a Game for Kids The name, base-ball, is derived from the original game, which is  
played the same way today. It was a game of cards for the rich, and one they played  
until the 19th century. In the year 1996, baseball was included as a part of the  
Olympic Games, and one of the places they played the game was New York City. The  
American League and National League have since become the major leagues. They  
don't play baseball during the summer season since the major leagues fall months  
are for football and basketball. Baseball is Much More Than Just A Game Baseball is
