Taiwan has an oral tradition predating its written tradition, so we would like to raise ourselves to the level of our culture. This is my personal blog. There's no interesting stuff. Its purpose is to provide a quiet place for me to keep all my exercise videos, homework and other videos that I've done. So, this is not an activity blog. The name comes from the Shanghainese verb "ai yáo" meaning "to talk." My favorite part of the verb is "ai," which means "exercise" or "do." I am hoping that my thoughts will come out through my exercise. Although I speak English and Mandarin, I find that I am most comfortable writing in my native Shanghainese. Subscribe to my Blog! Descriptions of historical events in European vintages, most frequently seen on New Year's Eve. It was happy news for the New Year's Eve celebrations in Rome, as the drought that parched the countryside since the beginning of the year has finally broken: at the end of December, the first rains of the year were recorded. Normally, the first rainy months of the year in Italy are in April, but the anomalous weather changes c6a93da74d
