posibet f4bc01c98b eanrary. February 1, 2022, 4:19 am I can't hold back my tears anymore. They treacherously run down the cheek. I don't cry anymore, I just cry. I cry from pain, from humiliation, from helplessness. I am horrified by what is happening. I do not know what to do. I don't know how to live on. And I can't live like this. I must do something. I have to make a decision. I must choose. I can't watch my boyfriend beat up my mother anymore. I can't watch her cry and beg him to stop. I can't watch him bullying her and hurting her.
