lifting up the hair from  
his head, he saw the  
surgery scars for his

---

removal of the skin cancer on his neck. the words he spoke to the surgical team were to tell them they were too young to do this. peeled off the rest of his clothes, revealing his tattooed torso. the heavy leather belt was looped around his chest. he tied it securely, then unlocked the handcuffs that were attached to it. without

---

seeing the woman's face,  
i can't tell if she's young  
or old. i can tell she's in  
shape because of her  
tan. as we draw closer, i  
try not to look directly at  
her. i should, not so i can  
get a better look at her  
face, but so i can avoid  
eye contact. i don't know  
why, but i get the feeling  
that the more eye  
contact i make with her,  
the better she might

---

look. i'm hoping she is single, or else i might very well just be making a fool out of myself by staring at a very cute and beautiful girl for all the world to see. i get a good look at her arms, hands and legs. i notice the open cut at the end of her nose. i get a good look at her neck. i notice her hair, for she has a hairstyle that has a lot of

---

hair over one side, which looks similar to a hare.

"you need to be more careful. the more people you hurt, the more you will be hurt. then you can blame others for your pain." his voice was calm and clear. the girl was ignoring him as she leaned away from him, keeping her eyes on the busy street. sirens, cars honking, people

---

screaming, rubbish flying about, she was living the nightmare that only the poor could comprehend.

she had just killed a young boy, stabbed him multiple times, and then stabbed herself again, in addition to stabbing a man. "will you stop ignoring me or do i need to physically pull you into this room?" the man stood with the knife in his

---

hand. the girl looked at him and saw that he had pointed the knife at her. she became very agitated, but then realized that if she ran, he would be able to catch her and kill her. "why did you kill all those people?" she asked. "because i am a vampire. i am good, pure blood. you cannot kill a vampire. you cannot kill me. if you so much as

---

bat an eye at me, then you will become one of me." he opened his jacket and revealed the dead boy underneath. "take me to your master and tell him to free me of this curse," he said. "but i cannot take you before the council. please, give me a chance before you kill yourself." he put the knife back in his pocket and took her hand. i feel

---

sorry for the girl, i can  
see that there is  
something wrong with  
her. maybe she had  
suffered an accident.
